*Primeiras Vozes Brazilian
para EX5*

Maurício Salgado
São Paulo

An aerial photograph of a city, likely São Paulo, Brazil. The image shows a mix of high-rise apartment buildings and a dense residential area with smaller houses and red-tiled roofs. The text is overlaid on the image, centered in the upper half.

Hello,

*I have made some Voices for you,
and I hope they are useful.*

*Some Voices include Controller settings and
Scenes. Some have a motion that accelerates
with the modwheel, and the violins have the
movement of the arch in the modwheel.*

Respectfully,

*Mauricio Salgado Moreira.
Sumaré, São Paulo-BR.*
